

Daily Decrees for Accessing Abundance

Discover the Power of Job 22

Description:

In centuries past, a king would issue a decree from his throne and that decree would become law throughout his kingdom. In the Bible, God operates the same way. The body of Christ must break out of a just-get-by, poverty-ridden mentality if the church is going to win the world to Jesus. There is a life of abundance—prosperity, health, and favor—available to every believer when they decree the Word of God over their lives. This is what Joshua Fowler calls the “decree dimension,” a level of spiritual dominion that every believer should operate within. In *Daily Decrees for Accessing Abundance*, Fowler invites you to discover the power of Job 22 by entering into a 22-day decree challenge. Learn what decrees are and how they work. Then experience twenty-two specific daily decrees—each with supporting Scripture and a journaling section—that will impact your life and change the world.
