Employing cultural nuances, non-biblical historical references, credible archeological data, and the four commonly accepted gospel records, Eric Scott creates a moving fictional account of the final week of Jesus Christ's earthly life.

*His Passion* fills in the gaps of Jesus' journey to Calvary in a way that will make it seem as though you were with Him each step along the way.

## About the Author

Eric Scott received degrees in science and business and enjoyed a successful career as a corporate manager and entrepreneur before enrolling in one of America's most prestigious seminaries in his mid-thirties. As a pastor, he was three times awarded the distinguished Pace-Setter Award from the Baptist General Convention of Texas, and has been twice recognized by the Billy Graham Evangelistic Association for outstanding evangelistic performance. Rev. Scott is a gifted writer and teacher who has spent years analyzing and interpreting the Gospels to produce works that are true to the Scriptures and easy to read and understand for people who aren't particularly "religious."
