Have you ever wondered how God is able to entertain billions of prayer requests at one time and still give full attention to each person?

God has dominion over time and space because He created them. If you are born again, you, too, can—by faith—have dominion over time and space, through the Holy Spirit. If you are in Christ, you are here on earth and are simultaneously seated in heavenly places with Christ Jesus.

Join author David Hope on a journey of divine discovery as you walk in the miraculous power of God.

“This book reveals the truth that when we place ourselves in Christ, by faith, we also place ourselves in the One who not only travels through time but who also is the Creator and Master of time itself.”

“*Inhabiting Eternity on Earth* will stir your faith to greater heights and possibilities.”

About the Author

David Hope is the senior pastor of Words of Life Church, a nondenominational, Spirit-filled family church, located in Humble, Texas. He is an experienced street preacher who has gone outside of the church walls, where the lost can be found. He has led thousands to Christ, mostly on the streets of the inner city of Houston, Texas, and in the villages of Western Kenya. God has placed a mission in his heart to set people free to love God more than they ever loved Him before. David’s vision is to reach the lost and to bring believers to the knowledge of the goodness of God.
