

Old Man Versus New Man

by Miguel Renteria

Do you feel like you are in a constant boxing match with yourself?

Is there a continual struggle between your old nature and your new nature in Christ?

You are not alone. This book came about when Bishop Miguel Renteria began to pray and seek revelation concerning Ephesians 4:22–24:

That ye put off concerning the former conversation the old man, which is corrupt according to the deceitful lusts; and be renewed in the spirit of your mind; and that ye put on the new man, which after God is created in righteousness and true holiness.

In this book you will understand what Paul was talking about in Ephesians chapter 4. You will discover amazing and practical truths about the natures of the old man and the new man. You will understand and become aware of why you continue to sin after your first spiritual birth, but how, after your second spiritual birth, the born again in Christ cannot sin.

About the Author

Miguel Renteria is the founder and bishop of Kingdom Faith Church World Evangelism, in Elsa, Texas. He has also ministered in India and Kenya as an evangelist, and as a keynote speaker in pastoral conferences in Nairobi and Kakamega, Kenya.

In 1998, God led Bishop Renteria to the Rio Grande Valley to release the "NOW" Word of God and teach what He is doing at this present time with the church. His vision is to do the will of our heavenly Father and see the body of Christ walk in the revelation and power of the Holy Spirit.

Bishop Renteria was ordained to the ministry in 1986. He is gifted with a special anointing to preach the Word of God, awaking the Christ in us to the realism of the kingdom of God, which was, is, and will always be, Spirit and truth. Miguel and his wife, Gracie, have been married for thirty-five years and have four children, who, along with their spouses, assist him in the ministry.
