Have you ever wondered if God's healing is for people today? Do you desire to be made whole but don't know how to go about it? If you are wrestling with these questions, you are not alone. Julia Loren has compiled the writings from heroes of faith—past and present—to show believers that God is still a God of miracles and that He delights in manifesting supernatural healing today, just as He did over two thousand years ago when His Son Jesus walked the earth.

This compilation includes the writings of...

Bill Johnson	Jerame Nelson
Mark Stibbe	Smith Wigglesworth
Mary K. Baxter	Kathryn Kuhlman
Maria Woodworth-Etter	Guillermo Maldonado
Randy Clark	Cal Pierce
Marilyn Hickey	

Their words will strengthen your faith and encourage you to approach God for your healing. He will heal you. His promises for your healing are yes and amen. Wholeness is for you—today!
