The Bible proclaims a coming day when God will release a great transfer of the world's wealth into the hands of His people. Why would God divert the world's wealth in such a manner? Is it driven by greed or the evil spirit of mammon? Or might there be a higher purpose?

Revered author C. Peter Wagner delves deeply into this amazing prophecy, showing how God will bring about a miraculous, worldwide financial transformation so that the Great Commission will be fulfilled and His kingdom will be established on earth. And these things will be witnessed by this generation!

God is poised to shake the world's financial foundations to their core. All Bible-believing Christians need to take steps to be prepared, for they will be the ones God uses to receive this blessing, influence the world, and help to fulfill Jesus' Great Commission.
