Simple Gospel is a complete modern-language presentation of the life of Jesus Christ, as told in all four Gospels. Stories and events are presented in context, sequentially, so the reader is able to get a better feel for Jesus' life as it unfolds.

Once you have read this book, all the Gospels will come alive to you in new and exciting ways. New converts, skeptics, and Bible students alike will not find a more convenient source for learning, studying, and understanding the things Jesus said and did while He lived on earth.

About the Author

Eric Scott earned degrees in science and business and enjoyed a successful career before going to seminary in his mid-thirties. As a pastor, he had been awarded with three distinguished Pace-Setter Awards from the Baptist Convention of Texas and has been recognized twice by the Billy Graham Evangelistic Association for outstanding evangelistic performance. Eric was elected to the Executive Board, which governs the Baptist Texas State Convention, and, for many years, he presided over a ministers' alliance that included clergy from several denominations. Reverend Scott is a gifted writer and teacher who has spent more than fifteen years analyzing and interpreting the Gospels.
