

# Think like Heaven

*Change Your Thinking, Change Your World*

Bob Hazlett

Our globe is filled with “chatter”—words of fear, negativity, and limitation. *Think like Heaven: Change Your Thinking, Change Your World* will help you to tune in to a greater reality, one in which the call of heaven breaks through the destructive chatter of the earth.

This book is not merely about theory—it is filled with examples of people who began to think like heaven and changed their world. All it takes is one person who is willing to do and say what the Father is doing and saying. *And you are just that person.*

Be part of the next generation of heaven-thinkers and world-changers. Experience a Spirit-filled life that translates into a practical and profound transformation of the world around you.
