**T**he *Touch-Me-Not Women* is a Christian inspirational guide to help women unravel their issues and challenges with sexual intimacy.

In this book, Mazzapica addresses sexual boundaries, warning bells, and issues of broken trust, all of which hamper a healthy sexual life. He addresses potential roots of roadblocks to intimacy, including...

- + Control issues
- + Physical issues
- + Psychological issues
- + Self-esteem issues
- + Abuse issues
- + Religious issues

Learn why so many women struggle with sexual intimacy, discover the challenges they face in achieving a satisfying love life with their husbands, and practice the practical steps provided to assist in repairing any breaches of trust and intimacy.

## About the Author

As a therapist, pastor, counselor, university lecturer, and author, Frank Mazzapica has assisted hundreds of men and women in regaining an open, transparent, and rewarding life free from the pain that often comes from relationships with spouses and other family members. Frank is married and has six children and three grandchildren.
